

Allen Temple Food and Beverage Implementation Plan

- The established Health Education sub-committee on Food and Beverages will meet at least three times during the year to review the established Food and Beverage guidelines to ensure implementation goals are being met.
- The Food & Beverages guidelines will be distributed to all groups and committees that are involved with the cooking of food and distribution of food.
- All new staff members and congregation members will be introduced to the Food and Beverage Guidelines, including our Senior Housing Complexes and Hispanic Church.
- Our Events department will be charged with disseminating our food and beverage policies to all caterers who provide food services for events on campus.
- Our established sub-committee will be charged with disseminating information to all of our mission groups who provide food at meetings, events, etc. Additionally, every quarter, we will disseminate information to the congregation via our informational bulletin, website and via internet.

- We will hold quarterly educational and food demonstrations to include cooking classes.
- The stipend will be used for the following purchases:
 - Purchase Water Dispensers
 - Introduction to Healthy Eating Lunch
 - Healthy Eating Education Materials
