

Santa Clara County's Network of Care for Healthy Communities Launch

In collaboration with the office of Supervisor Liz Kniss, the Public Health Department and Department of Aging and Adult Services invites you to the launch and demonstration of our two new interactive websites, the *Network of Care for Healthy Communities* and the *Network of Care for Seniors & People with Disabilities*. The Network of Care website employs the most advanced program in the nation for integrating and locally customizing population health data for your own local area. These websites are a resource for individuals, families, agencies, decision makers and key community stakeholders concerned with public health and social issues.

To learn more about the Network of Care for Healthy Communities and the Network of Care for Seniors & People with Disabilities websites, join us on
