

**Vending Companies with Items Meeting Contra Costa's Vending Machine
Nutrition Standards**

The purpose of this list is to provide information on suppliers of healthy vending machine products so that vending machine operators in Contra Costa County can bring their machines into compliance with the county's nutrition standards. This list is not an endorsement of any supplier or product, and additionally, not all products sold by these companies necessarily meet the nutrition standards. We recommend that vending machine operators read and understand the policy requirements prior to contacting these companies.

<p>Canteen http://www.canteen.com/ Balanced Choices vending program •Snack Machine Product Line –Power Bars –Granola Bars –Cereal (hot and cold) –Low Fat, Low Sodium Chips –Dried Fruit and Nuts –Low Fat, Low Sodium Popcorn –Pretzels –Low Fat, Low Sodium Beef Jerky Have to use their vending machines and their product. The <i>Balanced Choice</i> vending program is usually reserved for larger facilities such as hospitals. Because of the costs involved, it isn't monetarily feasible to have the <i>Balanced Choice</i> and the regular machine side by side unless there is a large customer base. About 80% of the items available in their regular vending machines are standard stock items-the other 20% (healthy items) could be tailored by the customer.</p>	<p>Randy Morris 1-800-357-0012 x3286065 Norm Villaraigosa</p>
