100% Healthy Beverage and Physical Activity Policies**

International Child Development Center is located in the heart of Oakland's Fruitvale District. Serving a majority of Latino students and parents, collectively, International CDC has 20 staff and 96 students and families.

In January 2016, International CDC passed 100% Healthy Beverage and Physical Activity Policy. The staff is delighted to have access to filtered drinking water, and they have learned that "there is always time for exercise."
